

Angels Specialist School Int.

each child at a time

21st April, 2016.

Dear Parent/Guardian,

A WEEK'S BREAK

We write to inform you that the Cambridge Primary Checkpoint Examinations have ended successfully.

Our learners were made to forego their holidays and rather attend classes till the start of their examinations. It is therefore the reason that learners are given a one week break from school to enable them to have the needed rest after their vigorous and stressful work while they were preparing for their exams.

We expect to have them join us back in school on the 3rd of May, 2016 to undertake the term's academic work.

Thank you.

Yours faithfully,

.....

Mr. Albert Annobil
