EXTERNAL EXAMS

We are happy to announce to parents that for the first time in the history of the school, we successfully sat for two major exams. Namely: BECE and CIE "Checkpoint".

CAMBRIDGE PRIMARY CHECKPOINT SUCCESS

ASSI has chalked another remarkable success. This time, the feat has been the school's maiden Cambridge Primary Checkpoint Examinations which was taken in April, 2014. In all, 64 candidates sat the examinations. The summary results are as follows:

Subject	Over 6.0 (Highest Ability)	Remarks
English	4.5	Very good
Mathematics	4.0	Very good
Science	5.0	Excellent

Interpretation of the Cambridge Primary Checkpoint scales.

- Scores on the Cambridge Primary Checkpoint scale are from 0.0 (the lowest level of ability) to 6.0 (the highest level of ability).
- Students achieving between 3.0 and 4.0 are adjudged to have a sound understanding of most of the curriculum content.
- Students achieving less than 2.0 have a basic understanding of the curriculum content. They would benefit from more focus on some areas of the curriculum.
- Students achieving more than 5.0 have an excellent understanding of the curriculum.

We would like to congratulate our students for making the school, their parents and themselves proud.
