Dear Valued Parent,

END-OF-ACADEMIC YEAR VACATION

“We have walked that long road to freedom we have tried not to falter; we have made missteps along the way. But we have discovered the secret that after climbing a great hill, one only finds that there are many more hills to climb we have taken a moment here to rest, to steal a view of the glories vista that surrounds us, to look back on the distance we have come. But we can only rest for a moment, for with freedom comes responsibilities”.

- Nelson Mandela

We deem this term one of the most hectic and challenging terms in the light of the fact that we had just moved from Community 8 Campus, a place we had occupied for the past 16 years. The challenge that was associated with moving such a size of a school; managing the whole complex in one campus, maintaining order and cohesion into one school was overwhelming. We congratulate management for a good work. We wish to show our appreciation to all parents who bore with us in these trying times. We have crossed a major land mark and have come a long way. *The poem above tells a bit of our story.*

The future looks bright if the Lord continues to help us.

Parents’ concerns for the school to organize the compound was well noted. Landscaping the compound, fixing security gates, plastering and painting the walls, furnishing some of the facilities in the new structure have all been projected to be tackled during vacation. It is just that the budget could simply not support these projects after putting up those facilities. God willing, we hope to see a complete refit of our school come next trimester.
