3RD JUNE, 2015

Dear Parent,

MID-TRIMESTER BREAK

We formally announce that, the mid-trimester break begins on Thursday, June 4, 2015 at 14:00 hours and ends on Monday, June 8, 2015. The normal academic work of the school resumes on Tuesday, June 9, 2015.

RELEASE OF MID-TRIMESTER TEST RESULTS

The mid-trimester test papers and results would be released to the parents on Friday, June 12, 2015. Parents are therefore advised to contact teachers of their wards for collection and probably discussion, if need be.

SCHOOL FEES

As per the policy of the school, fees are expected to be settled **IN FULL** by the resumption of the mid-trimester break. Parents should note that by Tuesday, June 9, 2015, pupils/students who have not settled their fees in full **WILL NOT BE ALLOWED ACCESS TO CLASS**. It should also be noted that students who have not met the 75% fees payment condition **WILL NOT BE GIVEN THEIR MID-TRIMESTER EXAMS REPORT**. Parents are therefore advised to start making payments now.

START OF TERM

Children reporting to school from the Easter break was rather on a low-key note. This was as a result of many parents who had travelled with their children during the holidays. The first week was spent reviewing the examination question treated in the last term academic. Work got into full swing as from the second week.

RESUMPTION OF GRADE SIX CAMBRIDGE CLASS

Following the hectic Checkpoint Exams taken by the 6th graders in the Cambridge class, Management had given the affected students one week extension as rest period for them. Hence this group reported a week after school had resumed on 21st April, 2015.

MID-TRIMESTER EXAMS

The mid-trimester exams began on Wednesday, May 27, 2015 and continued till Wednesday, June 3, 2015. The exams were conducted in usual serene atmosphere and there were no hitches, except for Tuesday, June 2, 2015 when a torrential rain disrupted the process. This development delayed the commencement of the examination till 9:40am. Added to this unfortunate situation was the realization that quite a number of children were unable to report for classes owing to the downpour.

VIRTUAL SCHOOL

Project works and assignments will be issued on the school's website for parents to download and assist their wards work on them and then submit it by the resumption of the mid-trimester break.

ADMISSION FORM OUT

We would like to announce to all parents that our admission forms for the 2015/2016 academic year are available. Parents who wish to obtain copies for onward registration may come to the front desk of the primary department to pick one or visit the school's website and download, fill and return same to the school. Parents may pass the notice on to friends and relatives who wish to have their children in our school.

Thank you and God bless you

- Management
